Alpaca Ontario's Fibre Initiative Committee offers you a series of webinars. The objective of these presentations is to help you maximize the quality of your fibre and your fibre harvest and to run the most profitable farm possible. The cost for these webinars is as follows: - If you are a member of Alpaca Ontario: \$30.00 for each webinar or \$125.00 for all five webinars. - If you are a non member it is: \$35.00 for each webinar or \$150.00 for all five webinars.

Once you have registered you will receive a link that will permit you to participate in the webinar(s) you have selected. Participants will click on this link from the comfort of their home at the prescribed time. You will then be instantly connected.

Please note: if by chance you are still on dialup or you can't make one of the webinars, or if you are dropped during the presentation, you can still benefit from this opportunity. Just send an email to Robert Martel at (705) 785-3389 info@meadowviewalpacafarm.com. I will have Victor Brown send you a link to the presentation. The webinars are going to be available until the series is completed. April 30, 2017 all will be erased as the presenters maintain their intellectual rights to the materials they have created.

Please mark the webinars you would like to attend.
